

Name	Professor Dr. Amjad Ali
Personal:	<p>Mailing Address: Assistant Professor/Chairman, Department of Computer & Software Technologies, University of Swat, Khyber PukhtonKhwa, Pakistan.</p> <p>Permanent Address: Mohallah Malak Abad, NawaKaly (Mingora), District Swat, Khyber PukhtonKhwa, Pakistan.</p> <p>E-mail: amjad@uswat.edu.pk</p> <p>Phone No Cell (+92)-300-5970878</p> <p>NIC#: 15602-2280209-3</p> <p>Nationality: Pakistani</p>
Experience	<ul style="list-style-type: none"> • Lecturer, Department of Computer Science University of Peshawar, March 27, 2001 to September 4, 2011. • Coordinator, Department of Computer Science University of Peshawar. Dec 15, 2003 to September 4, 2011. • Assistant Professor, Department of Computer Science, Shaheed Benazir Bhutto University Dir, Khyber PukhtonKhwa, Pakistan. September 5, 2011 to January 17, 2012. • Chairman, Department of Computer Science, Shaheed Benazir Bhutto University Dir, Khyber PukhtonKhwa, Pakistan. October 4, 2011 to January 17, 2012. • Assistant Professor, Department of Computer & Software Technologies, University of Swat, Khyber PukhtonKhwa, Pakistan. January 18, 2012 till date. • Focal person virtual education project, University of Swat. • Supervised more than hundred (100) M.Sc, BCS, BIT students projects in various areas such as Database, Artificial Intelligence, Networking, and Operating

	Systems.
Memberships	<ul style="list-style-type: none"> • Member of Quality Enhancement Cell, University of Peshawar. • Member of Purchase Committee. • Member of Organizing Committee in “International Conference on Language and Technology”, organized by Department of Computer Science University of Peshawar. • Member of Organizing Committee in “International Conference on Networking”, organized by Department of Computer Science University of Peshawar
Brief Statement of Research	<ul style="list-style-type: none"> ▪ Real Time Systems
Publications	<ul style="list-style-type: none"> • Amjad Ali, “Selecting predicate logic for knowledge representation by comparative study of knowledge representation schemes”, IEEE ICET, 2009, Pakistan. • Amjad Ali, “Knowledge representation of Urdu text using predicate logic”, IEEE ICET, 2010, Pakistan. • Amjad Ali, “Representation in computational logic”, VDM publishing, Germany, 2011. • Amjad Ali and Kyong Hoon Kim, "Compositional Real-Time Scheduling of Mixed-Criticality Real-Time Systems," SDSN 2014. • Amjad Ali and Kyong Hoon Kim: “Cluster based Multicore Real-time Mixed-Criticality Scheduling”, Journal of Systems Architectures, Vol. 79, pp. 45-58, September 2017. (SCIE/IF=1.579)
